SPECIAL CUVÉES

Cuvée Coton

Grape varieties

Cuvée Coton is a Crémant de Bourgogne Blanc de Blancs Nature, with no added sugar. Made from 100% Chardonnay, it comes from our parcels "La Guinotte" and "Les Ormeaux", harvested in the 2022 vintage.

Ageing

Cuvée Coton has developed its aromas and character during 30 months of ageing in bottle.

Vinification

Maison Vitteaut-Alberti vinifies its Crémant de Bourgogne "Cuvée Coton" in the "méthode traditionnelle" :

- Manual harvesting
- Malolactic fermentation is 100 % fulfilled

Tasting

Cuvée Coton invites us on a sensory journey, inspired by the universal character of this natural, raw material.

Its robe is luminous and brilliant, with fine bubbles rising in steady streams, evoking the lightness of cotton itself.

This Crémant de Bourgogne offers a delicate balance between a saline, mineral palate and the pure softness reminiscent of a cotton blossom.

Pairing

Lively and refreshing, Cuvée Coton is perfect as an apéritif and pairs beautifully with light dishes such as seafood, composed salads, or fresh cheese.
