

VIN MOUSSEUX

Cuvée Wild

Grape varieties & Terroirs

Cuvée Wild is a Traditional Method sparkling wine made from a blend of selected white base wines

Ageing & Winemaking

This sparkling wine develops all its aromas and acquires its distinctive character through **15 to 18 months of bottle ageing**.

Maison Vitteaut-Alberti vinifies this Cuvée **using the Traditional Method**.

♥ Malolactic fermentation fully completed

Tasting notes

This Traditional Method sparkling wine will catch your attention with its modern, refined, and iridescent sleeve design.

Pale gold color with lively, persistent bubbles. An attack of raw freshness, followed by controlled bitterness **with notes of grapefruit and candied orange**.

This wild Cuvée brings our dreams of freedom and distant horizons to life, creating an encounter between nature and urban modernism.

Food pairings

Perfect for **cocktails**!
